

# Wenatchee Valley Museum & Cultural Center

## 2009 Program Sponsorship

WVMCC is more than a repository of historical artifacts, photographs and records. And although our core responsibility is to hold the history of our region in trust for present and future generations, we are committed to carrying the stories of the past forward through a variety of fun programs for adults, families and youth that showcase the history, arts, sciences and the rich diversity of this region and its people. We invite your partnership in celebrating the rich culture, past and present, of the Wenatchee Valley.
